She also mentioned the traits of an Unhealthy and Abusive relationship which lacks good communication, honesty, trust, respect and which includes physical and emotional abuse.

She continued with the cycle of abuse which starts with Tension building which includes fights and verbal abuse which is then followed by second stage of the cycle, Physical abuse. Certain external influences leads to Reconciliation which is the third stage of the cycle. This is followed by the temporary Honeymoon period which is the fourth stage of the cycle and it includes giving gifts to each other. This stage does not last long and reverts back to the first stage and the cycle continues.

She further talks about how love is not just a mere emotion but a commitment towards the future. "Take precaution and you will have a Healthy life" by quoting this Mrs.Sneha Gaikwad ended the seminar. The session concluded with a vote of thanks proposed by Mrs.ShailaWalunj.
